

Happy Holidays

The spirit of the holiday season is embodied in our love and compassion to give opportunities to those less fortunate. **TeamUnity, LLC.** is pleased to have donated to Kiva - a not for profit organization that distributes micro-loans to highly motivated, low-income entrepreneurs. Kiva's mission is to connect people, through lending, for the sake of alleviating poverty.

TeamUnity wishes you peace, good health, and prosperity for the year 2019.

Best,
The TeamUnity Family

Odili was born in Harlem, grew up in NYC & during his high school years lived in New Jersey. He took on martial arts fairly early, as an introverted youth, it was a means for him to connect and to try to make sense of the people around him.

Over the years Odili spent a lot of his time traveling, living and working in Africa, Latin America and in under-served communities here in the U.S. Currently, he is back in NYC continuing to work on his own personal development and that of his students and community.

Odili, hopes to use Kiva's platform for additional support to expand connectivity to people young and old who often don't have the funds to partake in some of the most transformational of activities. This loan will

give interested candidates access to marshal arts classes & uniform funding for those who are financially struggling. Additionally, it will fund spaces for free workshops in communities which often do not have engagement programs running in accessible proximity.

What a great way to bring communities together during the holidays!
