

Bring your child to work day

Kids grow...fast! When they're spending most of their time at school, with friends and doing after school activities it can be hard to really solidify your bonds.

Take your child to work day programs present opportunities for kids, families and organizations to learn and grow together. You might get the chance to learn something new about them too! It's an excellent opportunity for everyone to interact & collaborate in a new environment.

Game Show Options

- Family Feud Style
- Jeopardy Style
- Are you smarter then a 5th grader?

Customize your questions!!

TeamUnity would love the opportunity to make this special day a memorable one! We offer a vast variety of activities and entertainment to engage both children & adults. Our professional & fun staff manage all on-site details including hands-on projects.

TeamUnity offers carnival booths, arts & crafts, games, prizes, fun foods, performers & entertainers galore!
